Dear AIH Ltd members

RE: DIVIDEND PAYMENTS AFTER SHARES TRANSFERS CASES

Please note that persons buying shares will only be paid future dividend and not dividend arrears unless the seller and buyer have expressly agreed that the buyer be paid dividend arrears.

Dividend will be paid to buyers of shares or in cases of succession after the dividend registers have been up dated to include the new changes.

At the moment we have manual register and this takes time to update. We are in the process of moving to digital registers as this will enable updating of registers faster and also paying faster in future dividend for cases of share transfers.

Yours faithfully,

Hon. Eliud M. Wamae
Managing Director/ Chairman
